

# With a little bit of Luck

1

C ---- C ---- D ---- G

          C          G          C  
The Lord above gave man an arm of iron,  
          C          G          C  
so he could do his job and never shirk.

          F          A7          F    D7  
The Lord above gave man an arm of iron, but,  
          F          D7          G          C  
With a little bit of luck, with a little bit of luck,  
          Am                  C  B  C  
Someone else will do the blinkin' work.

          G7          C  
With a little bit, with a little bit,  
          G7                  C  
With a little bit of luck you'll never work

          C          G          C  
The Lord above made liquor for temptation,  
          C          G          C  
To see if man could turn away from sin.  
          F          A7          F    D7  
The Lord above made liquor for temptation, but,  
          F          D7          G          C  
with a little bit of luck, with a little bit of luck,  
          Am                  C  B  C  
When temptation comes you'll give right in.

          G7          C  
With a little bit, with a little bit,  
          G7                  C  
With a little bit of luck you'll give right in.

          F                  C  
+ Oh you can walk the straight and narrow,  
          D7                  G  
But with a little bit of luck you'll run amok
